By signing my name below, I understand that the stylists in today's seminar are hairdressers with various levels of talent, that I am a model, and that the main purpose of this class is for the stylist to evolve in the craft of hairdressing by trying new and innovative things. Each class is geared towards a specific idea that will be discussed and agreed to before the session begins. I understand that there is an element of risk and I am fully willing to take that chance.

We hope you have an outstanding experience.
